Dear parents and carers

Year 9 English

This term, in English, we are studying the topic of Capital Punishment and looking at the contextual issues and influences surrounding this area.

We are aiming to enrich the English lessons with a case study linked to this topic and would like to show the film, 'Let Him Have It' which is based upon the true story of Craig and Bentley who were convicted in the 1950s of a crime and handed the death penalty. This film is rated as 15 and should you require further details these can be found at www.imbd.com where there is more guidance for parents under the subheading 'Parent guide'. We feel this film would benefit your son as it would help him develop his understanding of the complexity of the subject we are studying.

In the event that you would prefer for your son not to watch this film, please contact your son's English teacher and alternative provision will be made for him.

I look forward to a productive and busy term with your sons.

Yours faithfully

Mrs M. Brooker

Head of English

Headteacher: Mr J R Hopkins BA (Hons) NPQH
