Dear Parent/Guardian

Geography revision extension sessions in the lead up to the exams

Following the mock examinations, the Geography department will be running a weekly revision session to extend the most able students. These sessions will be focused on achieving grade 7-9 in the summer examinations and will aim to extend the revision already being undertaken by students at home and in lessons. Your son should already have completed his mock examination review and should therefore be able to identify those topics which this additional support will be most valuable.

The examination dates this year are as follows.

Examination Date
GCSE paper 1 – Tuesday 21 May 2019 - PM
GCSE paper 2 – Wednesday 5 June 2019 - PM
GCSE paper 3 – Thursday 13 June 2019 - AM

As these sessions are aimed at targeting the highest grades, students should prepare by completing personal revision and reviewing mock examination questions before attending the following sessions in S1. All sessions will run from 1.10 – 1.50 p.m.

Wednesday 27 February – Hazardous Earth, Tectonics – Mr Whiting

Wednesday 6 March – Hazardous Earth, Climate and cyclones – Mr Williams

Wednesday 13 March – Development Dynamics, India – Mrs Collinson

Wednesday 20 March – Development Dynamics, Malawi – Mrs Smith

Wednesday 27 March – UK Physical, Rivers and flooding – Mr Whiting

Wednesday 3 April – UK Physical, Geology and coasts – Mr Williams

Wednesday 24 April – UK Human, Rural – Mrs Collinson

Wednesday 1 May – UK Human, Urban – Mrs Smith

Wednesday 8 May – Decision Making paper – Mr Whiting

Wednesday 15 May – Geographical Investigations – Mr Williams

Headteacher: Mr J R Hopkins BA (Hons) NPQH

GCSE focus sessions will also be running during the Easter holidays, details of which will be given to students before the Easter break.

Finally, a reminder that a large number of past papers, mark schemes and examiners reports, are available on the school Moodle site to further support your sons/daughters revision at home.

In addition to the revision guide and revision work book your son has been given to support his revision for the examinations.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S Williams', written in a cursive style.

Mr S Williams
Head of Geography
